

Link # 16

1 A. Yes.

2 Q. You don't cover the skin with wax or anything like

3 that and try to make a wax lift, paraffin lift?

4 A. No.

5 Q. All right. Now when you were doing your test on the

6 deceased's hand, did you do her fingerprints first or did you

7 do the test first?

8 A. I did the test first.

9 Q. OK. Did you notice anything on her hands?

10 A. No, sir, I didn't.

11 Q. You didn't notice any marks on her hand?

12 A. I noticed a mark on her left hand.

13 Q. That's what I am talking about.

14 A. Yes.

15 Q. On her left hand?

16 A. Yes.

17 Q. What did that appear to you to look like?

18 A. It looked like particles that could have been from

19 residue of a--

20 Q. Gunshot?

21 A. --gunshot wound, yes. sir.

22 Q. You didn't hear about it the first time down at the

23 autopsy when the attendant pointed out to you, you already

24 knew about it from seeing it at the crime scene?

25 A. Yes, I had already performed my test on that.
